

2018 Candidate for President-Elect of the soon-to-be-formed SHAPE America Western District

Lori Dunn
Seattle Public Schools
Seattle Washington

For the past 20-plus years, Lori has been involved in leadership at the state, district and national level – serving as state and district president, as well as many committees at the national level and two terms on the SHAPE America Board of Directors.

In her current position, communication and vision are two of her strengths she believes will assist her in working as NWD and SWD transition two leadership councils to one council. Currently in Seattle Public Schools, she is responsible for providing curriculum, supervision, mentoring, and assessment and providing professionals' services related to teaching and teacher education in physical education, health literacy and grant writing in a district of over 54,000 students, and supports over 160 physical education specialists.

Lori gives numerous presentations throughout each year to variety of organizations throughout the country. The presentations address promoting and advocating for effective physical education program and all allied field at the local, state and national level. She works with numerous community partners such as Cascade Bike, Northwest Ballet, USTA, Pocock Rowing, Dairy Council and has helped develop curriculum supporting each program.

Lori was a technical reviewer for the Comprehensive School Physical Education Program (CSPAP) document, which is guiding school policy and reforms nationwide. Lori currently serves on the Board of Directors for the Pacific Northwest USTA.

Lori's goal for her presidency is to support the merger of Northwest and Southwest District and to move forward to provide products and services to SHAPE America members in a more meaningful way.
