

SHAPE America National Convention & Expo

Ticketed Events

Tickets may be purchased during the convention registration process.

A number of special events and activities are being offered during the week of convention. These events may require a fee in addition to convention registration. Some may also require prerequisites to attend. Please refer to the descriptions and applicable prerequisite information before registering. Tickets may be limited, so don't miss your opportunity to participate!

Event Registration Deadline: Tickets must be purchased on or before the posted deadline date. *Tickets will not be sold at the door for any event.*

Event 01 Attendance Limit: 150

2018 Measurement & Evaluation Symposium: International Youth Fitness Assessment and Promotion
Tuesday, 3/20 8 a.m. to 6 p.m.

Member/Non-Member Fee: \$30

Event Registration Deadline: Saturday, 3/17 (no on-site registration)

Description: **Convention Registration Required.** Promoting fitness and health in children remains a top public health priority and there is increasing recognition by school leaders of the importance of health education, physical education, and school wellness to promote both health and academic achievement. The 2018 Symposium will facilitate dissemination of best practices relative to measurement and assessment.

Event 08 Attendance Limit: 50

Initial HETE Standards Orientation and Program Report Preparation
Tuesday, 3/20 8 a.m. to 12 p.m.

Member/Non-Member Fee: \$100

Event Registration Deadline: Friday, 2/23 (no on-site registration)

Description: **Convention Registration Required.** This workshop will provide up-to-date information for the higher education Health Education Teacher Education (HETE) field on the revised Initial standards. The workshop will cover "unpacking the standards" and program report preparation.

IMPORTANT: This workshop is a prerequisite to attending the Wednesday HETE Program Report Reviewer Training (Event 07).

Event 09 Attendance Limit: 50

Initial PETE Standards Orientation and Program Report Preparation
Tuesday, 3/20 8 a.m. to 12 p.m.

Member/Non-Member Fee: \$100

Event Registration Deadline: Friday, 2/23 (no on-site registration)

Description: **Convention Registration Required.** This workshop will provide up-to-date information for the Physical Education Teacher Education (PETE) field on the revised Initial standards. The workshop will cover "unpacking the standards" and program report preparation.

Event 13 **Attendance Limit: 50**

Practical Assessment of National Standards and Grade-Level Outcomes With PE Metrics

Tuesday, 3/20 8 a.m. to 12 p.m.

Member/Non-Member Fee: \$75

Event Registration Deadline: Friday, 2/16 (no on-site registration)

Description: This workshop provides guidance on developing assessments for grades K-12 that align with and provide evidence for meeting SHAPE America's National Standards and Grade-Level Outcomes for K-12 Physical Education. Tips for developing quality assessments across all three levels will be provided along with sample assessments, worksheets, scoring sheets for tracking student progress, and suggestions on appropriate assignments. The workshop is interactive with opportunities to ask questions and seek guidance. This presentation will include materials from the revised *PE Metrics*.

NOTE: Registration includes a copy of the text *PE Metrics, 3rd Edition: Assessing Student Performance Using the National Standards & Grade-Level Outcomes for K-12 Physical Education*

Event 17 **Attendance Limit: 100**

Driving Policy Change Through a Community-Based Approach

Tuesday, 3/20 8 a.m. to 12 p.m.

Member/Non-Member Fee: FREE

Event Registration Deadline: Monday, 3/19 (no on-site registration)

Description: With a focus on grassroots advocacy, attendees will have the opportunity to develop their strategic plan to execute a robust policy campaign to improve physical education at the state and local level. The Voices for Healthy Kids team will walk through the components of a strong campaign sharing new tools and resources to drive change.

Event 06 **Attendance Limit: 50**

HETE: Aligning Assignments, Assessments and Rubrics

Tuesday, 3/20 1-5 p.m.

Member/Non-Member Fee: \$100

Event Registration Deadline: Friday, 2/23 (no on-site registration)

Description: **Convention Registration Required.** For higher education, Health Education Teacher Education (HETE) programs seeking SHAPE America Program Review with National Recognition toward CAEP Accreditation, this workshop will focus on aligning assignments, assessments and rubrics with the revised standards and components. Participants should bring along their assessment tools. Sign up for short consultations with experienced reviewers to discuss assessments in your program or your potential program submission.

Event 11 Attendance Limit: 50

PETE: Aligning Assignments, Assessments and Rubrics
Tuesday, 3/20 1-5 p.m.

Member/Non-Member Fee: \$100

Event Registration Deadline: Friday, 2/23 (no on-site registration)

Description: **Convention Registration Required.** For PETE programs seeking SHAPE America Program Review with National Recognition toward CAEP Accreditation, this workshop will focus on aligning assignments, assessments and rubrics with the revised standards and components. Participants should bring along their assessment tools. Sign up for short consultations with experienced reviewers to discuss assessments in your program or your potential program submission.

Event 10 Attendance Limit: 35

Lesson Planning for Skills-Based Health Education in the Secondary Classroom
Tuesday, 3/20 1-5 p.m.

Member/Non-Member Fee: \$75

Event Registration Deadline: Friday, 2/16 (no on-site registration)

Description: **Convention Registration Required.** During this 4-hour session, participants will move beyond theory and into development and creation of a skills-based health education program. Participants will leave the session with examples of learning activities and assessments designed to support students in developing skills of the National Health Education Standards to proficiency so they can maintain or enhance their health. We will also discuss ways to effectively integrate functional information into units to support skill development.

NOTE: Registration includes a copy of the text *Skills-Based Lesson Planning for Health Education*.

Event 07 **Attendance Limit: 100**
