Approximately 50 million students are currently enrolled in America’s elementary and secondary schools (grades pre-K to 12).

SHAPE America wants to ensure that by the time today’s preschoolers graduate from high school in 2029, all of America’s students are benefitting from the skills, knowledge, confidence, desire and opportunities to enjoy healthy, meaningful physical activity.

Get Involved! Learn how you can engage, activate and advocate to help solidify public support for health and physical education at www.shapeamerica.org/50Million
