

Soccer Starts in School!

Are you a physical educator looking for a turnkey way to bring soccer into your PE program? Or a classroom teacher eager to energize your students with soccer-inspired lessons that align with academic standards?

Soccer for Success in School was made for you!

For Physical Educators

Developed by the U.S. Soccer Foundation, this K–12 curriculum aligns with the 2024 SHAPE America PE Standards and fits easily into any PE program.

You'll receive:

- Downloadable, ready-to-use lesson plans for K–2, 3–5, 6–8, and 9–12
- Engaging, standards-aligned activities that build teamwork and communication
- Soccer skills videos, assessments, and a certificate of completion
- In-person and online training opportunities

To download sample resources or inquire about virtual or in-person trainings go to:

For Classroom Teachers

Soccer's global reach makes it the perfect way to spark curiosity, build connections, and deepen learning across the school day.

Our Soccer for Success World's Game resources bring it all together—featuring standards-aligned classroom lessons, plus engaging recess and field day activities. In the classroom, students explore geography, math, culture, and communication through soccer-inspired projects, building skills in reading, writing, data analysis, and presentation.

Beyond the classroom, students stay active and connected through play—developing teamwork, leadership, and a love for movement. From mapping nations to leading games at recess and field day, students discover that soccer is more than a game—it's a gateway to understanding the world and their place in it.

Access our World's Game Classroom Lessons, Recess and Field Day Guides

Celebrate the game that unites and inspires across cultures—bring soccer into your school with our World's Game resources for the classroom, recess, and field day.

About the U.S. Soccer Foundation

As the national leader for sports-based youth development in under-resourced areas for more than three decades, the U.S. Soccer Foundation provides underserved communities with access to innovative play spaces and evidence-based soccer programs that instill hope, foster well-being, and help youth achieve their fullest potential. The Foundation engages more than 1 million youth annually in after-school and in school programs and has created more than 850 safe places to play across the country.
