

Wade Gilbert, Ph.D.

Dr. Gilbert's areas of expertise include coaching science, talent development, sport and exercise psychology, physical education, and youth sport. He holds degrees in Physical Education, Human Kinetics, and Education from the University of Ottawa in Canada.

Gilbert has more than 20 years of experience in conducting applied research with partners around the world spanning all competitive levels, from youth leagues to World Cup.

He is extensively published and is frequently invited to serve as a featured speaker at national and international events. Dr. Gilbert has advised organizations ranging from school districts, collegiate teams, Olympic organizations, and the United Nations on coaching education and sport-related issues.

Dr. Gilbert is editor-in-chief of the International Sport Coaching Journal, a new journal published by Human Kinetics. In addition, Dr. Gilbert serves as an advisor and representative of Human Kinetics, specifically in the area of coach education.
