

Keri Schoeff

Keri Schoeff currently serves as the Safe, Healthy & Active Students Specialist for the Arizona Department of Education where she provides leadership and professional development on all components of Title IV-A funding and programming, specifically ensuring that every student is provided with a safe, healthy, active, and supportive learning environment. Keri has a Bachelor of Science Degree in Physical Education and Health Education. Her prior work experience includes teaching health and physical education to secondary students, providing leadership on the USDA's Child Nutrition Programs, and the CDC's and ASCD's Whole School, Whole Community, Whole Child (WSCC) Model. Keri has been a SHAPE America member since 2011 and has served as a national CSPAP Trainer, a State and District Leaders Special Interest Group Co-Chair, a Western District Member-At-Large, and President of Arizona Health and Physical Education. Keri has a passion for Health and Physical Education, specifically advocating for diverse, inclusive, and equitable access to quality programs for all students.
