

Toni Chilton - Bio

I was born in Birmingham England and with a military father, I have lived in a variety of countries. I have lived here in Arizona for 22years and have been at my current school for 21 of those years. Teaching and Physical education have changed a lot over those years and I pride myself on continuing to grow and evolve with it. I have worked with some AMAZING teachers who have helped me professionally and I have also had the pleasure to give back and work with student teachers. I currently now work alongside one of those students who joined the Hurricane family. I'm an avid martial artist, Go Rucker, hiker, and cross fitter I love "BEING FIT FOR LIFE"
