

Quick Reference Guide – Special Interest Groups (SIGs)

How to Join:

First, please log into your member profile

Then click on the “my profile” section under your name

Then click on the second tab and select which special interest groups you would like to be apart of

The image shows a form titled "Association Selections / Demographics" with two tabs: "Contact Information" and "Association Selections / Demographics". The "Association Selections / Demographics" tab is active. Under the heading "Associations", there is a section for "Special Interest Groups" with several checkboxes: "Adapted PE/PA", "C/U PA Programs", "CSPAP Research", "Curriculum & Instruction", "HPE State/District Admin", "Measurement & Evaluation", "Retirees", and "Students".

IMPORTANT: Please make sure you save (at the bottom of the page) after you have selected your SIGs.

How did you hear about joining SHAPE America?	Catalog
Employment Area	Agency
Primary Responsibility	Administrator

How to view your SIGs:

After a day or so the SIG will show up in your networks on your Exchange profile. If you need help logging into Exchange, please view this document:

<http://www.shapeamerica.org/publications/resources/upload/How-to-access-Exchange.pdf>

In order to view your SIGS on Exchange, please go to your profile on Exchange and click on “My Connections” and then “Networks”

SIGs will show up under the Networks section:

Networks 4

If you have any questions, please contact us at programming@shapeamerica.org.
