

Professional Development Credits for JRFH Arkansas AHPERD

ArkHEART Course Model:

- One (1) contact hour with an AHA representative, validated by the AHA
- Five (5) contact hours in heart content validated by the online course delivery system
- Passing of a proficiency exam with 80% or better
- Holding a JRFH or HFH fundraiser

The online course includes articles, statistic updates and videos on the heart including various disease states and preventive measures. All coursework is provided on the entry page of the course delivery system for the student's convenience. Once each of the course components was completed and verified the PD hour certificate was sent to the recipient.

For more information contact Andy Mooneyhan, Executive Director ArkAHPERD at amooneyh@astate.edu
