Health and physical educators are making a lasting impact on the future health of America.

We take pride in helping students understand the importance of living a healthy and active lifestyle and prepare them with the skills and knowledge to live their best life.

“I like that I have something new every day. I would hate a job where I have to do the same thing over and over again.”

William A. Robbins III - PE Teacher
(Purdue University, 2013)

Did you know?
