Active kids learn better. When students get more time for health and physical education (HPE) they do better physically, mentally, and emotionally.

**Kansas Fact Sheet: KANSAS PHYSICAL EDUCATION**

SHAPE America Recommendations:
All children deserve the benefits of a well-rounded education which includes effective health and physical education provided by trained and certified teachers.

- 30 minutes of daily PE for elementary grade levels
- 45 minutes of daily PE for secondary school grade levels

70% of U.S. high school students did not attend PE class at all during an average school week.
