Active kids learn better. When students get more time for health and physical education (HPE) they do better physically, mentally, and emotionally.

**KENTUCKY PHYSICAL EDUCATION**

SHAPE America Recommendations:
All children deserve the benefits of a well-rounded education which includes effective health and physical education provided by trained and certified teachers.

- 30 minutes of daily PE for elementary grade levels
- 45 minutes of daily PE for secondary school grade levels

78% of Kentucky high school students did not attend PE class at all during an average school week.

**SPEAK OUT FOR HEALTH & PE**

The Every Student Succeeds Act (ESSA) identifies school health and physical education (HPE) as part of a student’s well-rounded education, giving all HPE teachers an opportunity to elevate their program and gain support from their school and local community.

Stay informed. Get involved.
