Active kids learn better. When students get more time for health and physical education (HPE) they do better physically, mentally, and emotionally.

NEW YORK PHYSICAL EDUCATION

SHAPE America Recommendations:
All children deserve the benefits of a well-rounded education which includes effective health and physical education provided by trained and certified teachers.

★ 30 minutes of daily PE for elementary grade levels
★ 45 minutes of daily PE for secondary school grade levels

82% of New York high school students did not attend PE class at all during an average school week.

DOES NEW YORK...

TAKE ACTION: Any red “✗” above indicates an opportunity for improvement.

SPEAK OUT FOR HEALTH & PE

The Every Student Succeeds Act (ESSA) identifies school health and physical education (HPE) as part of a student’s well-rounded education, giving all HPE teachers an opportunity to elevate their program and gain support from their school and local community.

Stay informed. Get involved.

PE + Health = Student Success

Benefits of Health & Physical Education to Students

- Positive relationship with academic achievement and test scores
- Positive association with attention, concentration and on-task behavior
- Encourages lifetime healthy habits
- Strategy for reducing childhood obesity
- Reduces discipline referrals and participation in high-risk behaviors

Schools can influence healthy behaviors

Nearly **92%** of students that attended health education class believe it is important to their future health.
